Dear Mr Crabtree,

I am sorry I let you waiting, but my older brother died June 4, and for some time

I did look for a cameraman. There is a very good professional who could do the work. Here are the prices:

For one day, 200 New Francs, that is Doll. 40.

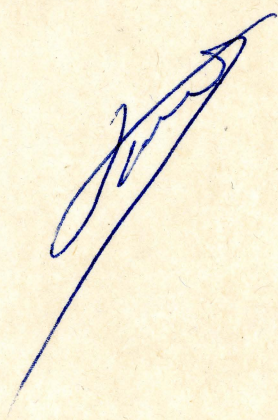

11

Kodachrome film, 16 mm; each ~~x~~ 30 meters: Doll ~~100.00~~. This price includes the processing.

Now, I have not the least idea of how long 30 meters of film is!

Very truly yours,

F. Bordes
