POSTE :

~~TALENCE~~ Carsac, Aug. 13th, 1970

Dear Don and Evelyn,

If everything turns all right, I shall arrive in Twin Falls on September 3, flight RW 503 about 19.54 h. I shall leave for Montreal on Sept. 8.

Will it be possible to see Swanson?

If for any reason ~~ix~~ it was better for me not to come, please let me know as soon as possible. Write at the laboratory address.

We all hope that Evelyn is better now. Here, everything is more or less all right.

Hoping to see you soon!

Bien amicalement,

F. Bordes

P.S. Bruce Bradley who is with me has done wonderful progress in flint chipping and is having the time of his life. He chips till dark in the evening!
