

Montreal, Sept 18, 1970

Dear Don,

The obsidian arrived safely this morning. Thank you so very much. They had almost nothing here.

Thank you again also for your wonderful hospitality. I hope Evelyn is all right and that her arm does not trouble her too much. Please give me news. I am here till Nov. 1st.

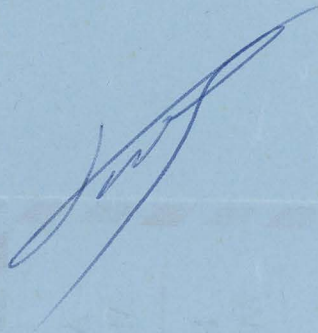

I had some news from home. It seems everything is OK.

No time to write much now. Will write again

With all best wishes for both of you

Bien amicalement
