Dear Mr. & Mrs. Crabtree,

When Bruce was home recently, he told me that he had invited you to visit us in our cabin in Colorado. Harry and I would be most happy to have you with us when Bruce is back in the States. He suggested the first part of September.

We hope you would plan on staying in the cabin with us. We have five bedrooms and more or

less rattle around when the family isn't with us. This summer we will be alone most of the time.

I am writing to Prof. and Mrs. Borden also. Bruce said that Prof. Borden said he might come.

He would like very much to meet you. Bruce enjoyed his stay with you last summer.

Sincerely,
Betty Bradley
