

4/9/70

Dear Mr. Crabtree,

I am writing you this short note to inquire about your plans for the S.A.A. meetings in Mexico City. I and three other students are going to spend the week prior to the meetings in and around the city. What I am wondering is there any possibility of getting together with you for some time before 4/30/70? Bruce Huckell and I plan to spend at least one day someplace chipping while we have a ready supply of material. If such a meeting is not possible I hope to see you sometime at the meetings. As I stated above we will be in Mexico City for a week prior to the meetings and have not planned anything definite. Thank you for your time and consideration.

Sincerely,

Bruce Bradley

P.S. If you have occasion to contact me in Mexico City I will be staying at the Montejo Hotel.
