Mr. & Mrs. Don Crabtree
Kimberly, Idaho

Dear Don and Evelyn:

We keep hoping to receive a letter from you affirming that you will be at Banff and then will be coming on up here. Your silence makes me worry about your health, and I want you to know that the letter was an invitation only. We sincerely hope that you can come but please feel no compulsion to do so. I must know for sure though in order to get travel money for you. I put you on the program, as you have seen by this time, but this can be cancelled, of course.

Ian Cornwall will be arriving the day after the Banff conference and will give a slide lecture on his work, now in progress, on Mexico. I hope that we can have a double header the evening of April 11 with you giving a demonstration after Cornwall's lecture. Ian has expressed the hope that he will be able to see you once again.

But even if you can not come to Banff, we hope to be able to see you in Kimberly, and perhaps go up to Wilson Butte Cave together in early May.

All our best,
