

Alan & Evelyn

Sorry we missed you.
We wanted to discuss the
description of W.B. artifacts
which is to be published
in Current Anthropology.
We hope to get the artifacts
at Pocatello & have them
drawn.

We have decided to
apply for money to dig a
cave near Baker, Nevada
P.O., God willing, we'll
see you next way on
our way south.

All the best

Alan & Ruth
