Dear Don:

Dorothy Lampe was nice enough to forward to me that beautiful article featuring you in the Twin Falls paper. She said you were too modest to send me a copy but I enjoyed reading it very much.

Dorothy also tells me that you have to undergo surgery again. I hope that isn't true. You recovered remarkably from the last one but why do you have to submit to another one. Dot said it was too complicated for her to figure out.

Father Pat still complains about gall bladder pains but refuses to go see a doc or go to the hospital. He has seen too many times the inside of one.

Don't feel obligated to reply. I just wanted to say hello and let you know I

still think of you often.
I miss Twin Falls.

Love,

Fr. Cozman
