

Dear Cousin Don

Hope this finds  
you - feeling  
much better  
From Aunt Mabel's  
letter & Helen Rose  
I know you have  
been quite ill.

Last Christmas I  
invited you to  
visit me we are almost  
the last ~~Graben~~ <sup>Love</sup> Agnes

It's a lovely old custom  
When Christmas is here  
To remember the friends  
We think of all year  
And that's why this greeting  
Is so happily sent  
And the wishes it brings  
Are so heartily meant  
Merry Christmas  
And Happy New Year

and  
Relative
