Dear Dan,

As the card says
"Just a note" to say
hello and let you
know that we are
thinking about you,
and to catch you up
with a little of our
news. I realize that
you must be terribly
busy, so don't worry
about answering this,
but I did want you
to know that you are

in mind each day and
Ensign is in our papers
each week at home.

Well when do we begin
as you may have heard
Acile & I have both changed
employment. He is an
account executive in a large
insurance brokerage firm, and
I am trying my hand at
retail sales in one of the
large shopping malls here
in Tampa. I'm working
in a pipe and tobacco
shop and enjoy it a great
deal. We paid for our place
in Lakewood in January and
have been talking about
possibly getting up a tobacco
shop in Curuba Springs in
a couple of years. While as
you know I've smoked a pipe
for years there is still a lot
to learn about the business
and a number of capital to raise.

JUST THOUGHT
I'D SEND YOU A
FOOT NOTE !

My health still leaves
something to be desired,
but am feeling well
and doing ok as long as
I don't over do. We are
all in good health as
I hope this finds you.
Natalie is growing like a
weed and just started the
sixth grade. Can you believe
it? Oh you might be inclined
to know that I have started
to ~~be~~ become an old West
bunny! Why not, it can
happen to the best of folks.
If you should ever decide
to dispose of that old
single action Colt please
let me know.
You know it is really

family in a way I had
thought about calling
and with the long late
hours have put it off.
So got this card a week
ago, to make a long story
short this being my note
off I was watching Houston
play UCB when lighting
took off the power so
I wrote this by candle
light while Cecil played
the piano and Natalie so
Dorand asleep and I
guess all is well with
the world at least one
little part of it and we
all hope that it is
with you.

Yours truly,
Hollis
