Dear Mr. Crabtree:

Please accept this formal letter of thanks for your efforts in sending a valuable letter of reference for a candidate applying for an assistant professor appointment in our department for 1974-1975. Your assistance in this regard is much appreciated by our department in its search for the most suitable candidate. Your letter will be read in the confidence of our Search Committee, though of course certain summary items may need to be presented by the Search Committee to the department as a whole in making its recommendations for final action.

We have set a February 20th deadline for applications, and we will inform you immediately when a decision is made in regard to the candidate about whom you wrote.

Yours sincerely,

Clark E. Cunningham
Head of Department
