Dear Mr. Crabtree:

It was very interesting and
informative to meet and photograph you.

I'm sending the proofs as
we discussed.

Would you be kind enough
to fill in the release form I'm enclosing
and return it to me since most editors
request it for publication.

If you would like to
suggest where you'd like to see this
material published I would appreciate
hearing of it. I have not decided
until I hear from you.

Miss Judy Lewis has been
very helpful in providing details on
the different pictures. She is quite nice.

I would be glad to
provide you with enlargements if
you are interested. When published
I would ask that my credit line be
associated with any photographs and
you let me know what publication

and the date. For my records,
of course.

Thank you for the
opportunity of meeting you and
learning about your work.

Sincerely,
Jimmie P. Carey
