Last week, a questionnaire seeking your views about the future growth of Idaho was mailed to you. Your name was drawn in a random sample of households in Idaho.

If you have already completed and returned it to us, please accept our sincere thanks. If not, please do so today. Because it has been sent to only a small, but representative, sample of Idaho residents, it is extremely important that yours also be included in the study if the results are to accurately represent the preferences of Idaho residents.

If by some chance you did not receive the questionnaire, or it got misplaced, please call Paul Card right now, and another one will be in the mail to you today. Call collect (208) 384-3900.

Sincerely,

John E. Carlson
