Dear Mr. Callaghan:

Thank you for your letter. A visit near the end of  
June or the first of July would be satisfactory.  
Most of the work is done on week days, so you should  
plan your visit accordingly.

To find your way to camp once you arrive in Twin Falls,  
you should telephone Don Crabtree at his home: 733-3275.

Sincerely yours,

Earl H. Swenson, Jr.  
Museum Director
