Dear Senator:

Thank you for your kind letter of November 25th regarding your help with our problem with the Social Security Administration.

Thanks to the kindness of your secretaries in the Boise office and your concern, this matter has now been taken care of by the Treasury Department. We trust that in the future we will have no further problems and will not have to take up your valuable time with such small concerns.

Please be advised of our continuing support on your behalf in the coming elections - should you decide to run for the office of the president - or for any other democratic candidates which you may endorse.

Via the television, we have been following your fine work in Washington on behalf of this nation and wish to take this opportunity to congratulate you on a job well done. We are, indeed, proud of our senator.

Sincere best wishes,

Don and Evelyn Crabtree
