

May you soon be well ...

Dear Dan

A quick note before
we leave town. John
has a few days so we
are going on a
short trip. Came
to see you but you
were sound

asleep. So
take care
get well
soon and
we will see
you when
we get home.

Love
Joan John

... and enjoying

the beautiful days ahead.

Get well soon!

Tenderness

61C
