Dear Don:

I was very happy to receive your letter and to learn that you actually are on the way to making your eastern trip. I would like very much for you to give a demonstration here. I haven't taken the time to talk to the Department yet, but I will guarantee you \$100 as a minimum, and I hope that I can arrange for it to be more. In any event, while you are in Chapel Hill, you will be my guest. I assume Evelyn will be coming with you, and we will be looking forward to a very interesting and enjoyable time. Please send what material that you need to us collect.

Cordially yours,

Joffre L. Coe
Director

P.S. What day do you think you can be here?
