Dear Don:

We are all looking forward to your visit, and I hope that you will have a profitable, but not too strenuous visit to the north. We have tentatively set the evening of the 22nd for your demonstration to the Anthropology Club. This can be changed if it doesn't fit your schedule. If you will need any kind of special facilities, please let me know and we will try to have them ready.

I am still not certain as to the kind of things you would like to look at here. I suppose, however, that it will not take long to find what you are interested in, and perhaps it would be just as well to wait until you get to Chapel Hill before laying things out. Please give my regards to "retired" Doug Byers and Fred Johnson.

Cordially yours,

Joffre L. Coe  
Director
