Dear Don:

Thank you very much for sending me a copy of your reprint "Experiments in Replicating Hohokam Points". ~~You~~ have built up a great bibliography of valuable data, and I always look forward to seeing the most recent edition.

I hope Quentin Bass worked out all right with you this summer. He certainly returned full of enthusiasm and many newly acquired skills. I certainly appreciate you permitting him to do this.

I hope you and Evelyn are well, and we would like very much to visit with you. Perhaps if you come to the SAA meeting next spring, you can stop off in Chapel Hill.

Cordially yours,

  
Joffre L. Coe  
Director
