Dear Dr. Crabtree:

It is my pleasure to inform you that you have been elected to full membership in the Society of the Sigma Xi here at Idaho State University. Congratulations.

It is now your privilege to accept this invitation. If you wish to accept the invitation, I would like to hear from you to that effect not later than April 7, 1972. The initiation fee of \$15.00 includes a subscription to the American Scientist and the appropriate membership certificate. The initiation dinner will be held at the Holiday Inn in Pocatello on May 10, 1972. Our Chapter would like to extend to you an invitation to be our guest at dinner on this occasion. Should you desire to bring a guest with you, please contact me regarding the cost of the dinner.

I am looking forward to hearing from you in the near future.

Sincerely,
