

I am so fortunate to have been so richly rewarded by such wonderful friends. you have all been so generous, contributing a wealth of information, fellowship and goodwill. Without your encouragement and support none of these wondrous events would have been possible.

You have made it possible for me to now possess the wonderful Serigraph of The Standing Bison by Douglas Mazonowicz. I shall always cherish this spectacular piece of art. For all of these rich rewards I give you my heartfelt thanks.

Don Crabtree
