

Dec. 20, 1966

Don:

Attached please find photographs and identification list of each which are to be used in the Polyhedral Core paper. Doug said to send them on to you.

Hope this finds you both well.

Wishing you a very Happy Holiday Season.

Grace

P.S. Sending along some high speed films I'mo brought down. The Polyhedral paper is included so you can fill in the Figure No. & then return it.
