Dear Don,

I couldn't resist sending this catalog on to you. It's a "whale" of a great gift. See p. 7.

Enclosed also is a photo of the 24 tools you donated for the Pamunkey Museum. They certainly outshine anything else we have. Your "third-view" is the second to right of the upper left. Eternal thanks.

We are represented by you, Bordes, Tixier, Pelegrin, Solly, Titmus, Flenniken, Waldorf, Bradley, Fagan, Patten, Arch, Madsen (Denmark: upcoming issue), Paulsen (W. Germany), Hayden, Goode, McCormick, Mewhinney, Warren, Rinehart, Kalin, and a few Pamunkey. I'll have a report on it for FE soon. The labeling is still incomplete.

Best to you and stay both in touch and in health.

Errett
