

RICHARD D. DAUGHERTY, PH.D

Professor
Washington State University

General Information

Occupation: Professor of Anthropology
Place of Birth: Aberdeen, Washington
Date of Birth: March 31, 1922
Family Status: Married, three children
Military Service: Pilot, U. S. Naval Air Corps, 1934-1946

Present Position

Professor of Anthropology, Department of Anthropology,
Washington State University, Pullman.

Director, Washington Archaeological Research Center,
Washington State University, Pullman.

Education

High School Training: Weatherwax High School, Aberdeen, Washington
Graduated 1940

Undergraduate Study: Central Washington State College, Ellensburg,
Washington
1940-1941
University of Washington, Seattle, Washington
B.A. Granted 1946

Graduate Study: University of Washington, Seattle, Washington
Ph.D. granted 1954

Professional Experience

1972-Present Director, Washington Archaeological Research Center
Washington State University

1970-1971 Chairman, Department of Anthropology, Washington State
University

1963-Present Professor of Anthropology, Washington State University
1959-1963 Associate Professor of Anthropology, Washington State
University

1954-1959 Assistant Professor of Anthropology, Washington State
University

10333131

1950-1954	Instructor in Anthropology, Washington State University
1948 (June-Sept)	Archaeologist, Smithsonian Institution
1948	Part-time Acting Instructor in Anthropology, University of Washington
1947 (June-Sept)	Archaeologist, Smithsonian Institution
1946-1949	Teaching and Research Fellow, University of Washington

Professional Recognition

Secretary, Northwest Anthropological Conference, 1948-1949
Chairman, Northwest Anthropological Conference, 1952
Chairman, Great Basin Archaeological Conference, 1958
Director, Washington Archaeological Society, 1961-1962
Invited to participate in International Symposium on Archaeology in Austria
Invited to participate in joint Columbia University-Museum of New Mexico archaeological expedition to Egypt and Sudan for the Aswan Dam Project, 1962
Invited to present two lectures at the University of Hawaii, 1965
Invited to attend Wenner-Gren Foundation for Anthropological Research Supper Conference on Early Paleolithic sites in Spain, New York, 1965
Nominated for president of the Society for American Archaeology, 1968
Lecturer for the Science Seminar Series, Center for Graduate Studies, Richland, 1968-1969
Fellow, American Association for the Advancement of Science, 1968
Named "Distinguished Citizen of the State of Washington" in special resolution by the Washington State Senate, 1969
Received special commendation for research efforts in resolution by Washington State House of Representatives, 1969
Thomas Burke Lecturer, University of Washington, 1971
Recipient of "The Governor's 1971 Arts Award" presented by the Washington State Arts Commission (with the Makah Nation)
Listed in Who's Who in America, American Men of Science, Who's Who in the West
Received with Ruth Kirk first place award for Hunters of the Whale as best science book ages 7-14 by the New York Academy of Sciences, 1974
Nominated for president of the Society for American Archaeology, 1975

Professional Services

Historic Site Board of Washington State Parks and Recreation Commission, 1952-1953
President, Washington State University Chapter, American Association of University Professors, 1956-1957
Assistant Editor, American Antiquity, 1953-1959, 1961-1966, 1971
Committee for the Recovery of Archaeological Remains, 1961-1971
Former Member, Council of the American Quaternary Association
Former Member, Western Canadian Archaeological Council
National Advisory Council on Historic Preservation, 1967-1969
(Appointed by President Lyndon B. Johnson)

U.S. 3. B. 2

Study Group of the National Academy of Science, 1968
Advisory Board, National Trust for Historic Preservation, 1968-1971
Honorary Member, State Capitol Historical Association, 1971
Committee on Public Understanding in Archaeology, 1971
Section H Committee, American Association for the Advancement of
Science, at present

Honor Societies

Alpha Kappa Delta, National Sociology Honorary
Gamma Theta Upsilon, National Geography Honorary
Sigma Xi
Phi Kappa Phi

Society for American Archaeology

Papers Read at Scientific Meetings

- 1949 Notes on Pithouse Structure. Presented at the 2nd Annual Northwest Anthropological Conference. Portland.
- 1953 The Lind Coulee Site: An Early Site in Central Washington. Presented at the 52nd Annual Meeting of the American Anthropological Association. Tucson.
- 1953 An Early Man Site in the Columbia Basin. Presented at the 6th Annual Northwest Anthropological Conference. Pullman. Abstract title: A Report on Archaeological Investigations of the Lind Coulee Site.
- 1954 The Archaeology of McGregor Cave. Presented at the 7th Annual Northwest Anthropological Conference. Globe.
- 1955 The Culture History of the Plateau. Presented at the 2nd Annual Great Basin Archaeological Conference. Globe.
- 1955 Early Man in the Columbia Intermontane Province. Presented at a symposium on Early Man, Peco's Conference. Globe.
- 1956 An Archaeological Survey of the Rocky Reach Reservoir. Presented at a symposium on Northwest Archaeology at the 9th Annual Northwest Anthropological Conference. Pullman.
- 1957 An Archaeological Survey of the Upper Peace River, British Columbia. Presented at the 22nd meeting of the Society for American Archaeology Madison.

CC3.3.233

- 1957 The Archaeology of the Lower Snake River. Presented at the 4th Annual Great Basin Anthropological Conference. San Francisco. Preliminary program title: The North West Periphery.
- 1957 Participant in seminar on the Desert West. University of California, Berkeley.
- 1958 The Archaeology of the Dent Site on the Lower Snake River. Chairman of the conference, 5th Annual Great Basin Anthropological Conference. Reno.
- 1959 Progress Report on the Archaeology of the Lower Snake River Area. Presented at the 12th Annual Northwest Anthropological Conference. Portland. Not presented.
- 1959 A Tentative Cultural Sequence for the Lower Snake River Region. Presented at the 24th Annual Meeting of the Society for American Archaeology. Salt Lake City.
Abstracts of Papers, 24th Annual Meeting of the Society for American Archaeology, edited by Dee Ann Suhm, pp. 53-54, 1959. Salt Lake City. Abstract also, Washington Archaeologist, Vol. 4, No. 4, p. 9. 1960. Seattle.
- 1960 Peace River Archaeological Survey, 1954. Participant in symposium on British Columbia Archaeology. Salt Lake City.
- 1961 Late Burial Patterns in the Lower Snake River Region. Presented at the 26th Annual Meeting of the Society for American Archaeology. Columbus.
- 1961 Cultural Relationships between the Plateau and the Great Basin. Symposium on Early Man in Western North America. Presented at the 128th Annual Meeting of the American Association for the Advancement of Science. Denver. Reported in Science, Vol. 134, No. 3491, p. 1700. Washington.
- 1961 Plateau. Presented at the symposium The Desert West: Genuine or Spurious, 8th Annual Great Basin Archaeological Conference. Los Angeles.
- 1962 The Old Cordilleran and the Intermontane Western Co-Tradition in Western North America. Presented at the 27th Annual Meeting of the Society for American Archaeology. Tucson.
- 1962 River Basin Salvage Archaeology. Presented at the international symposium on salvage archaeology held at the Castle Burg-Wartenstein, Gloggnitz, Austria.
- 1962 The methodology of Typology. Presented at the 1st Northwest Typology Conference. Pocatello.
- 1963 (with Roald Fryxell) Geologic Dating of Early Human Skeletal Material at Marmes Rockshelter, Lyons Ferry, Washington. Presented at the 16th Annual Northwest Anthropological Conference. Portland.

CE.3.3.284

- 1964 An Archaeological Survey of the Northern Sudan. Presented at the VII International Congress of Anthropological and Ethnological Science. Moscow, Russia.
- 1964 The Cultural Sequence in the Southern Plateau. Presented at the XXXVI International Congress of Americanists. Barcelona, Spain.
- 1964 Problems of Archaeological Research in the Southern Plateau. Presented at the XXXVI International Congress of Americanists. Barcelona, Spain.
- 1965 A Technique for Photographing Lithic Materials. Presented at the 30th Annual Meeting of the Society for American Archaeology. Urbana
- 1965 Chaired a session at the International Quaternary Association Meeting. Denver.
- 1965 Chaired a session at the International Radiocarbon Dating Conference. Pullman
- 1966 Goals, Scope and Methods of the Ozette Project. Presented at the 17th Northwest Anthropological Conference. Seattle.
- 1966 Goals, Scope and Methods of the Ozette Project. Presented at the 31st Annual Meeting of the Society for American Archaeology. Ann Arbor.
- 1967 Lecturer for the Archaeological Institute of America. Lectures presented at Walla Walla, Spokane, University of Washington, University of Oregon, and University of British Columbia.
- 1967 Archaeology of the Ozette Site Complex. Lecture presented at Simon Fraser University. Burnaby.
- 1968 Archaeology of Marmes Rockshelter. Member of symposium at the American Anthropological Association meeting. Seattle.
- 1971 A Buried Northwest Coast House. Presented at the 36th Annual Meeting of the Society for American Archaeology. Norman.

- 1974 (with Ruth Kirk) Hunters of the Whale. Wm. Morrow Co, New York.

Field Research

- 1947 Conducted archaeological survey of 14 reservoir areas in Washington, Idaho, and Montana
Smithsonian Institution, River Basin Surveys
- 1947 Conducted an archaeological survey of the entire coastal area of Washington

CC33787

- 1948 Directed archaeological excavations at Indian Village site at Moses Lake, Washington
Smithsonian Institution, River Basin Surveys
- 1950 Directed excavations at a second village site at Moses Lake, Washington Smithsonian Institution, River Basin Surveys
- 1951 Directed a study of the relation between man and environment through an analysis of Indian skeletal material at the Lind Coulee Site, Warden, Washington
- 1952 Directed another year excavations at the Lind Coulee Site, Washington
- 1953 Directed excavations of McGregor and Porcupine Caves in southeastern Washington
- 1954 Conducted an archaeological survey for the purpose of locating Paleo-Indian campsites and migration routes in northern and eastern British Columbia
- 1954 Conducted archaeological survey of the Wells Reservoir, Columbia River, Washington
- 1955 Conducted an archaeological survey of Paleo-Indian sites and museum collections in the Intermontane West
- 1956 Directed excavation of a Nez Perce burial site near Asotin, Washington
- 1957 Directed excavation of a village site on the Snake River, Ice Harbor Reservoir, Washington
- 1958 Directed excavation of an extensive campsite on th Snake River, Ice Harbor Reservoir, Washington
- 1958 Administered excavation of a village site at Toleak Point on the coast of Washington
- 1957-1959 Administered highway salvage program and archaeological surveys for Washington State Division of Mines and Geology
- 1959 Directed excavation of village and burial sites on the Snake River, Ice Harbor Reservoir, Washington
- 1959 Administered the excavations at a series of sites in the Rocky Reach Reservoir, Columbia River, Washington
- 1960 Directed excavation of a camp and burial site on the Snake River, Ice Harbor Reservoir, Washington

Cc-3.3.22-8

- 1960 Administered the excavation of Windust Cave, Snake River, Washington
- 1960 Administered excavation of additional sites in the Lower Grand Coulee area, Washington
- 1960 Administered pipeline surveys
- 1961 Directed excavation of a village site on the Snake River, Lower Monumental Reservoir, Washington
- 1961 Directed excavation of White Rock Village Site on the coast of Washington
- 1961 Administered excavation of additional sites in the Lower Grand Coulee area, Washington
- 1961 Administered excavation of the Lava Butte Site, Bend, Oregon and continued pipeline surveys
- 1962 Administered excavation at Fort Spokane-Spokane House site
- 1962 Directed excavations at Marmes Rockshelter, Palouse River, Lower Monumental Reservoir, Washington
- 1962 Administered an archaeological survey of Boundary Dam Reservoir, northeastern Washington
- 1962-1964 (with Roald Fryxell) Administered program for the development of an integrated late glacial and post-glacial geological and archaeological chronology for the Columbia Plateau of Washington
- 1962 Field Director of Museum of New Mexico Nubian Expedition to Sudan and Egypt
- 1963 Continued as director of excavation at Marmes Rockshelter and other site on the Snake River, Lower Monumental Reservoir, Washington
- 1963 Continued administering excavation at Fort Spokane, Miles, Washington
- 1963 (with Allan H. Smith) Conducted an archaeological survey of Mr. Rainier National Park
- 1964 (with Roald Fryxell) The development of an integrated late glacial and post-glacial geological and archaeological chronology for the Columbia Plateau of Washington (continued)
- 1964 Administered the excavation of a Nez Perce burial site at the mouth of the Palouse River, Washington
- 1964 Continued excavation of Marmes Rockshelter and archaeological surveys of Asotin and Little Goose Reservoirs and excavation of cave site 45WW25

CE.3.3.23.9

- 1964 (with Roald Fryxell) Techniques of preserving stratigraphic sections in archaeological sites, a demonstration for archaeologists working at sites in Europe at Combe Grenal, Abri Pataud, and Laugerie Haute, France; Ambrona, Spain
- 1964 Administered archaeological test excavations in Mt. Rainier National Park, Washington
- 1964 Archaeological survey at Glacier Bay National Monument, Alaska
- 1964 An analysis of non-cultural materials derived from the excavations at Marmes Rockshelter, southeastern Washington
- 1965 Administered archaeological survey of the south central Cascades, Washington
- 1965 (with Roy M. Chatters) Administered travel support for conference on carbon-14 and tritium dating
- 1966 (with Roald Fryxell) Archaeological, geochronological, and ecological investigations of the Ozette Village site complex on the northwest coast of Washington
- 1967 (with Virginia Steen) Characterization, identification, and correlation of Pleistocene and recent volcanic ash layers in the Valsequillo Reservoir area, Puebla, Mexico
- 1967-1975 Administered the highway salvage program for State of Washington, Department of Highways
- 1969 Administered the excavation of Moses Coulee Site, 45D0171, Douglas County, Washington
- 1970-Present Directed excavations at the Ozette Archaeological site on the coast of Washington
- 1970 Administered excavation of Snake River burials, Alpowa Creek Site, 45AS2, Washington
- 1971 Administered excavation of the Cox's Pond Site, 45D0172, Douglas County, Washington
- 1971 Directed excavation of the Minard Site, coast of Washington
- 1972 Administered excavation of the Connell Quarry Site, 45FR267, Franklin County, Washington

CC.3.3.199 10
