Dear Mr. Crabtree:

The Smithsonian Institution has now completed all review and selection activities for its visiting research fellowship awards. Your willingness to act as a referee for a fellowship applicant is much appreciated by us and your commentary on the application has been of great assistance to our review panels in making difficult decisions for the award of limited funds.

Enclosed is a copy of the letter we have sent to the applicant indicating the disposition of his application and, where a fellowship was not awarded, giving the reason.

Thank you for your interest in the Smithsonian's program in advanced research training.

Sincerely yours,

Edward S. Davidson
Executive Officer
Office of Academic Studies
