Dear Don,

The lateness of events has required that I cancel my hopeful planning for the Second International Cordilleran Conference in February 1973. I may schedule a comparable type of conference for about the same time in 1974. In that event, I will certainly try to secure your assistance once again. In the meantime, I wish you the most productive of New Years.

Sincerely yours,

Leslie B. Davis
Assistant Professor of Anthropology
