

Hey!

Friday

Good news. Science is "glad to accept" our article. Now you can tell Swanson to go shove it if he gets ~~stage~~, because Science is THE TOP.

What's the news on the Lithic Technology Conference? Has Francois scuttle it? If so, it should not be: no meeting ought to stand on just one guy.

Best to both of you.

A handwritten signature in cursive script, appearing to read "Daney". The signature is written in dark ink and is positioned below the typed text.
