

Dear Don and Evelyn;

I think I sent you off a letter last week, but if not, here is the pitch again...

I'd like to come up and do some work with Don on this Stone-Tools-For-Woodworking problem. How would it be if I arrive in Pocatello Aug. 24, returning on about the 29??? If not convenient, let me know your preferred dates, it is all the same to me.

I look forward eagerly to learn more about this question.

In haste,

Emma Lou Davis

P.S. Western has a flight direct L.A.-Pocatello. Will let you know flight # and arrival time.
