Dear Sir!

Please accept this humble
Gift of Oriental Orange called Satsuma
I have one small tree in my tiny garden
and I offer these to you and hope you
find them good they are practically seedless
they peel from the stem end and I find them
quite tasty. Hope you get them in good
shape, and if the carton is still in one
piece you can use it to send me some
obsidian chips in, packed in dry sandst
send it collect P.P. Respectfully

I know you get all sorts of
junk way so I am sending you some
Georgia Pecans as a taste

Thanks
