Dear Professor Crabtree!

Please forgive me

For pestering you again, and hope I do not  
add any more trouble to what you have  
and hope and pray your luck has improved

Please just use this letter yes or no  
if I have any hope of ever getting some  
more chips I have spent a lonesome winter  
without being able to do some flaking which is  
the one thing I love to do most

With kind wishes to you

I hope to remain as ever

Frisco Fletcher
