Dear Professor,

Thank You for the  
ships which some I received in excellent  
shape, thanks for the trouble of packing  
You had in makin up the parcel I am  
enclosing a money order to pay for the  
Parcel Post charges. I want You to believe  
me when I say You have made me very  
happy, I know there must be some flakes in  
that lot that I will be able to shape into  
some fairly good specimens of and when I get  
some together on a board I want to snap  
a picture of it and send You to see  
whether it was worth Your trouble I am  
very thankful to You and may God bless  
You for Your kindness to me I have not  
gone into the whole parcel but what I got to  
seems first rate I will keep You informed  
from time to time You I am doing

I would like to know whether you  
received a small parcel of citrus fruit  
of our little tree and whether the fruit  
and nuts were fit to eat please let us  
know the next time write. Again please  
accept my thanks you and the Good Lord  
will bless you for what you have done for  
me and I very sincerely beg to remain  
Yours thankful old friend  
Frisco Fletcher

Best of luck on your  
field trips
