Dear Don,

I have not forgotten about you and Francois coming to I.S.U. My professor is working on getting the money, however, the Dean of Graduate Students has been on vacation for the last two weeks and so the procedures of obtaining money has been delayed. He gets back in Ames Aug. 7, so I'll write when we know for sure. You'll be still planning to come if possible, aren't you?

I'm working on my thesis and pressuring of blades in between. I've cut several polished core blades

and have been doing, every now  
and then, a good job. I know it  
takes lots of practice and I'm staying  
with it.

How are things with you and  
welyn?

Your student,

Jeff
