Dear Don,

Just a note to say I certainly appreciate the rapid reply and sending the letter of recommendation. It will surely aid in my getting a job.

I have 3 possibilities; the Museum of Northern Arizona at Flagstaff, contract archaeology with New Mexico, and Hot Spring National Park in Arkansas. Flagstaff would be my first choice.

Chipping is slow now due to my thesis work on abraders.

Things in general are fine here and hope they are with you and Evelyn.

Thanks once again, Don.

Jeff
