Refer Invoice #4724

Gentlemen:

Thank you for sending the recent shipment of 100# of obsidian. According to the circular enclosed, you have now reduced the price on your rocks. Therefore, will you please send me 300# of Peacock obsidian, Mine-run. Just as received from Mexico. Your new list quotes this as \$8.00 per 100#.

On my recent order, above mention invoice number, I inadvertently sent you a check in the amount of \$13.82, whereas the amount should have been \$12.00 for 100#. Therefore, I have a credit with you of \$1.82. Therefore, I am enclosing check in the amount of \$22.18 which reflectes this credit and ask that you send the 300# of obsidian via the same route as you did before.

Thank you for this and past favors and would appreciate your keeping me advised of material you have for sale. Am doing research for Idaho State University and will need a lot of material in the future.

Yours very truly,

Don E. Crabtree
