Dear Mr. Crabtree,

I'm sorry it took so long to translate this article. I had it finished some time ago but couldn't get around to going to the Language Department to make sure what I translated didn't do too great an injustice to Tixier's intentions. J. Tixier has a rather difficult style of writing and even the French professor who helped me was stumbling in his translation of the French to English.

I believe that this translation is essentially correct, and I hope you enjoy reading it as much as I did translating it.

I hope you and your wife are in continued good health. Thank you for your hospitality on our recent visit.

Sincerely yours,

*Joe Gallagher*
