Dear Mr. Crabtree,

Thank you so much for sending along the TEBIWAS with the interesting articles on heat use in flint-working. I am most pleased to have them.

We follow your work and writings with great interest. Should you be in the East this Spring, won't you call us, collect, so that we might arrange a visit for you to see our collections and tour our Museum.

Thank you again.

Most sincerely,

Elizabeth Giddings

(Mrs. J.L.Giddings, Curator)
