We had a good year in Alaska  
checking out things with geologists.  
The reports are coming along now—  
since Anderson took off a semester in  
which to write. I am kept so busy  
with curatorial duties & the public that  
I have been little help to him lately. There  
will be a special on NBC Television  
some evening in March. 3 sites will  
be pictured and our site & cabin at  
Onion Portage among them -- so watch  
for it & see what a pretty place it is!

I hope you are both well & having a  
good winter. We appreciate your  
interesting articles of late —

Sincerely  
RWS
