Dear Mr. Greger:

I am forwarding your letter to Don Crabtree.

The information you are requesting is found in the journal Tebiwa. The Crabtree articles are a set of six which are available at the Idaho State University Bookstore for \$5.50 a set.

A brochure is enclosed on the film, The Shadow of Man. We are negotiating now for a distributor on four other films which will be available later on.

Thank you for your interest.

Sincerely,

Mrs. Mae Jones  
Crabtree Research Secretary
