

ce.4.3.78

J'ai l'impression d'avoir beaucoup dormi.

I seem to have slept a long time

Thank you very much for your gentle
whishes.

When can you come again in Les Eyzies ??
When can we go again to the States ???
This dream is probably more far than the Moon?
One day perhaps!

To day and here, our best regards.

Faithfully yours Jean et Genevieve
Surchast.
