Dear Don:

Just a quickie to thank you for your letter of July 6 and the enclosed price list from Gem Center. I shall certainly contact them when I need more material.

I really like the "experiment" you have cooked up with Ed Wilmsen. By the way, I'll let you know how my shipments of obsidian look after they get to Hawaii (they're going by mail, too!). Good luck with the summer field school, and give my best to Evelyn.

Cheers,

*Dick*
