Dear Mr. Crabtree:

Enclosed are the photographs and slides which you sent us, with the exception of three which we have selected to be used in John Pfeiffer's book, *THE EMERGENCE OF MAN*. Those are of you demonstrating the chest-crutch method, you and Francois Bordes in your work shop, and a photo of four Folsom points. I will send these along to you as soon as they are back to me from the manufacturer.

Again, thank you very much for your cooperation.

Sincerely yours,

Susan Phelps
