Dear Don:

I saw Stirt today and was informed that you will be leaving the hospital soon. Was certainly glad to hear the news.

Am enclosing a photograph of a chart I recently completed. It is based on the one we did at the Fair, but more complete. Thought you might be interested in

looking it over.

Someday, Don, I hope they appoint Stirt head of a museum somewhere. He in turn will turn us loose in the place and think of all the fun we can have developing the institution.

The mural idea I told you about for the museum on Mt. Diablo is still in the air, but that it will materialize

I have no doubt.

Drop me a line Don, when you feel in the mood for writing.

Doris was very much pleased to hear you are well on the way to recovery and sends her best wishes along with mine.

-yours,

Bill Huff.
