Dear Don:

A note from Ray Thompson tells me that you plan to be in Arizona June 15-20. I leave June 16, returning the 24th, for a National Parks Advisory Board trip to the North Cascades and Redwoods.

Is there any chance that you can make it to Tucson a day or two before June 15, so that we can have a conference on Hohokam lithic technology?

Sincerely yours,

Emil W. Haury
