Dear Dr. Haury:

Thank you for your letter of May 21st regarding my visit to Tucson.

I very much want to discuss the Hohokam technology with you and so shall plan to leave here on June 10th or 11th and arrive in Tucson on the 12th or 13th. I will call you when I arrive in the city. Then, after we finish, I shall plan to go on up to Grasshopper for a few days.

We are now awaiting the arrival of Bill Mayer -Oaks to review the flintknapping films and do a little research on lithic technology.

Will be looking forward to our visit.

Sincerely,

Don E. Crabtree
