Mr. Donald E. Crabtree
Route #1, Box 39
Kimberly, Idaho

Dear Don:

Congratulations on getting into print your paper on replicating Hohokam points. I was delighted to use the precise reference in my bibliography. The Snaketown report, incidentally, has been submitted to the Press and with luck, maybe it will be out in another year or two.

Jane Rosenthal tells me that she had a most wonderful and profitable time with you this summer.

My best regards to you both.

Sincerely,

Emil W. Haury
