Dear Emil:

Let me thank you again for your wonderful book The Hohokam and your thoughtfulness of sending the card with the hammerstones from New Zealand. I am so sorry that I missed the Pecos conference and had to cancel my air flight after all the trouble I caused Marie in getting me accommodations. I am hoping that I will be able to be in Tucson for the S.A.A. meeting.

I still remember a most pleasant evening at your house and the delicious barbecued chicken. Hulda is indeed a charming hostess and I am so glad that she was able to accompany you on your most exciting trip to New Zealand. I hope that you will be able to make a lot of trips for your own pleasure rather than business as it's been so many years in the past.

I understand that there is publication forthcoming on the Grasshopper site. This should be a very important contribution, but could no way approach the Hohokam studies that you did.

With kindest personal regards,

Don Crabtree
