Dear Mr. Havill:

Your letter to Don Crahtree has been referred to me. He is living in Kimberly, Idaho, and is very seriously ill.

I am enclosing a list of our publications, and have marked some I think would be of interest to you. Don does have a really good grasp of flintknapping.

I will send a copy of your letter to him, and if he is interested in seeing that Huron cherty flint, he can let you know. They sound very interesting to me.

Sincerely yours,

Lucille Harten

Don: I took the liberty of saying you were very ill - I hope you're not. It was just because I felt you didn't want everyone bothering you unless it's your initiative - I hope everything looking up - we have moved into the "old" library building, but things are still stacked around in boxes -
Lucille
