Mr. Don E. Crabtree  
Route 1  
Kimberly, Idaho

Dear Mr. Crabtree:

Vance is in Africa and won't be back until October 15. I'm sure he will be delighted to read your paper. He probably wouldn't be able to return it to you before the first part of November. If you would like to have me return it to you in the meantime, I'd be happy to do so, however, I'll hold it here unless you request otherwise.

It would be most unwise to forward it to Africa. He would be home before it reached him, probably. The poor mail service is the only unfortunate part about being so long in the "bush."

Sincerely,

*Elizabeth Haynes*
