Dear Don

Thank you very much for  
your letter and for the magnificent  
artifacts and antler tools delivered by  
Mr. Herrett. I wish I could have  
watched you and Bob, it must have  
been quite a time. Jones Ranch sounds  
better all the time. Let me know what develops.  
Toby, Lisa, and I send best wishes to you  
and Evelyn.

Sincerely, Vance

Ce. Sol. 66
