

Dear Evelyn and Don,

I can't tell you how great it was getting your card! I do hope things are ever so much better for you everyday. You two are the "beautiful" people, and I do hope we will be able to come to your part of the world one of these months. I've never been to Idaho and I know it must be lovely at Christmas time.

We plan to spend Christmas in Carmel, Calif. with Vance's mom --- he will do some

field work in Ariz. so we shall see some of our good friends there.

What are the chances of seeing you in Norman, Okla. this Spring for the SAA meetings? Oh, I do hope so.

Much much love to you both,
Daffy

P.S. I graduated in May!! Whoopee! Liza is in high school, has a wall full of ribbons from horse shows, and now she is a certified SCUBA diver!! (She has gone through the intensive training and passed the very difficult written, as well as diving, tests.) I may faint!
